

Oxford International Study Centre
individually designed study programmes in the heart of Oxford

March 24th to April 20th 2024

One, two, three or four weeks

[Easter revision at Oxford International Study Centre](#)

OISC has offered Easter revision for many years.

"I was absolutely thrilled with the report for Evdokia. It was a real educational treat. In all 25 years of my work with British education I haven't received such a thorough

*analysis of the subject the difficulties the student has.
It will be interesting to watch her progress.
Thank you for finding great tutors for all our students.”*

Izabella L, Student advisor, Russia

Oxford International Study Centre (OISC) is a well-established international school situated in the very centre of Oxford, between Christ Church and the Town Hall.

The school has many years' experience in arranging bespoke holiday revision courses for students from the UK and overseas, both in school subjects and in English as a Foreign Language.

[A level, IB and GCSE revision](#)

Every year OISC has helped students realise their true potential by offering small group and individual tuition in over 30 different subjects for AS/A-Level, (I)GCSE, and IB, and a range of other examination

OISC is accredited by the Independent Schools Inspectorate (“exceeds expectations” in all areas), and is an accredited member of the Council of British International Schools (COBIS), the European Association for International Education(EAIE) and the European Collaborative for International Schools(ECIS) .

[The programme and what to expect](#)

The OISC Easter courses include:

- Small group (maximum 6 students) or one-to-one tuition, providing an intensive level of personal attention not often found in the classroom setting, and enabling material to be covered at a student's individual pace. Please see the fees section of this document for the various options.
- An opportunity to go over material which the student has previously been found difficult, or where there have been gaps in syllabus coverage;
- Assignments and tests, with effective feedback, allowing a student to see exactly where marks are being dropped, and how best to avoid these deductions.
- Comprehensive reports at the end of the programme, to allow students to continue making good progress with independent study.

OISC include these features as standard, and supports students working towards any of the following exams:

- [A– Level and \(I\)GCSE](#), with all syllabuses and subjects offered
- [IB at HL and SL](#), (including ToK and Extended Essay support if required)
- [English Language Exams](#), including IELTS, TOEFL and Cambridge, as well as general support in EFL for non-native speakers taking other academic subjects
- [Boarding School Entrance Tests](#), including ISEB, UKISET, and other independent entrance and scholarship examinations, including 13+ and 16+
- [German Abitur](#)
- [University Entrance, including Oxford and Cambridge](#). Advice is offered on UCAS applications, interviews, and personal statement drafting, if required.

Accommodation is in single or shared rooms with half board. Students either stay with Host Families or within a comfortable student Residence just 5-10 minutes walk from OISC.
